

WELCOME TO RENDER GROUP OF INDUSTRIES

ABOUT OUR COMPANY—

Render Group Of Industries is Manufacturer and Supplier of Fitness Gear, Gloves Range Sports Wear, Leather Fashion Wear, Boxing Gear, Martial Arts. For professionals and amateurs alike. We thought long and hard about the end user i.e. You and we believe we can provide high quality Products to the consumers. This has leaded us here and we are proudly breaking into this market with a difference.

Our dedication has paid dividends before and we believe it will bring us the luck in the future and all the success through our work. We have been working tirelessly to create a brand which is synonymous with quality and reliability.

Render Group Of Industries is completely focused on one thing and that is satisfying its customers through best possible products on offer which are reliable, finely produced and set them apart from the rest.

WOMEN MOTORBIKE JACKETS

The Women's Jacket takes styling cues from classic leather jackets and provides motorcycle specific features to keep you safe on two wheels. Buffalo leather provides an extra sheen compared to cowhide giving the Meridian a unique look and feel. A removable thermal vest extends the temperature range of the jacket so you can keep your core warm even when the temperatures drop. CE rated armor at the elbows and shoulders absorbs impact energy without disturbing the jacket's silhouette.
